February 11, 2021

To Whom it May Concern,

This letter is being written to correct an error in reporting graduation requirements to the state. The School District of New Lisbon requires all students to earn one-half credit of Health, per state requirements, for graduation. We have found the error in our student information system and have corrected to report our expectations accurately in the future.

Thanks,

Adam Englebretson
District Administrator
School District of New Lisbon
